Improvement Type

Will Do Maintenance: NO	Desire to wave usage fees in exchange: N/A
Physical Improvement Type: Not Art	Estimated Value: \$6,000

Responsibilities

This set of questions is to make sure that the proposed responsibilities for the initial work and the ongoing maintenance and reinvestment are clearly understood.

Who would be responsible for the Planning and Design?: Applicant We were provided with a grant from Community Connections to create child friendly spaces in public places. We did focus groups, tours, and other engagement activities to ensure the space is created for children and parents. After a process the Patton Park recreation center was chosen as one of the sites.

Responsibilities (continued)

Who would be responsible for the Construction?: Applicant We hired the designer and fabricator FPB Studios to design, create, and install the child friendly spaces. City and Patton staff have been in regular communication with Fernando Balles the owner of FPB Studios.

Who would be responsible for Security at the site if required?: City We do not anticipate a need for security, but if it arises then the City of Detroit will be responsible.

Who would be responsible for the Cleanup, and Restoration if required?: City The designer FPB Studios accepts responsibility that if an item or part of the installation breaks under normal use by the agreed upon age group of 0-5 year old children, then he will come and repair it for up to four years from the date of installation. Otherwise, this is a gift to the Patton Park Recreation Center. After the installation of the child friendly space, all clean up restoration and maintenance will be the responsibility of the city of Detroit.

What are the scheduled Maintenance Requirements for the Improvement, and who would be responsible for doing them?: City The site will need simple janitorial clean up on the regular routine maintenance schedule of the Patton Park Recreation Center. The child friendly items will need to be wiped down about once a week for germs and dirt. This will be the responsibility of the City of Detroit and Patton Park Recreation Center. We do not anticipate this being too high of an extra burden on the Patton janitorial staff.

By submitting this request I/We/Our Organization agree(s) to abide by all rules and policies of the City of Detroit and the General Services Department, Parks and Recreation Division. I/We also agree that all information submitted in this Park Improvement Authorization Form is true and accurate to the best of my/our knowledge and I/We hereby request that the Parks and Recreation Division consider my/our Project for approval. I/We agree at my/our own expense to defend, indemnify, save and hold harmless the City of Detroit, its officers, employees and agents against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, and expenses (including without limitation, fees and expenses of attorneys, expert witnesses and other consultants) which may be imposed upon, incurred by or asserted against myself/us and/or the City of Detroit by reason of or resulting from my/our use of the DPRD Property named above and construction of this Project as described herein.
